

Vendor Checklist for

PaymentWorks Registration

1. You will receive an invitation to add your information in our database through our PaymentWorks Vendor Portal. *This process will assign you a 'vendor' number for receiving payments.*
2. The email will come from "PaymentWorks on behalf of Johns Hopkins Enterprises".
3. You are required to validate your email so you can securely complete, save, and send/submit your vendor registration.
4. Once Johns Hopkins receives your vendor registration, we can start our review process for creating your Vendor account.
 - a. NOTE: If required information/documentation is missing, your registration will be returned to you with specific instructions for updating.
 - b. Once the update(s) are completed and saved, please resend/resubmit your vendor registration.
5. Once your vendor registration is approved, you will receive notification from PaymentWorks of your newly created Vendor Number.
6. Once your Vendor Number is created.
 - a. The requesting department trying to pay you will be able to process your invoices for payment.
 - b. You will have access to view all processed payments through your PaymentWorks Account.
 - c. You will have access to securely update your personal information through your PaymentWorks Account.
7. **NOTE:** If you have difficulty with your Paymentworks registration and/or account updates, please submit a PaymentWorks Support ticket for further assistance, <https://community.paymentworks.com/payers/s/contactsupport>
